

We are pleased to announce that after evaluating 50 proposals led by the Colansa Research Committee, the following proposals have been selected for funding by Colansa. These projects will gather information in more than eight Latin American countries, including Ecuador, Mexico, Peru, Argentina, Chile, Costa Rica, Brazil, Panama, and the Dominican Republic.

- 1) Innovative Assessment of Ultra-Processed Food Consumption and School Food System in Ecuador and Peru

Ecuador and Peru (Main researcher: Angélica Ochoa Avilés)

- 2) Digital Marketing and Commercial Formulas for Infants and Products Targeted at Infants and Young Children

Guatemala, Panama, and the Dominican Republic (Main researcher: Mónica Mazariegos)

- 3) Healthy and Sustainable Diet in Adolescents from Latin America: Social Determinants and Micronutrient Adequacy

Costa Rica, Brazil, Mexico, Colombia, Argentina, and Chile (Main researcher: Rulamán Vargas-Quesada)

Colansa would like to thank all the participants and congratulate the winners.
